

Centre of Excellence for Food Production & Service Refrigeration

Angel Refrigeration has carefully selected an exclusive range of high-quality commercial refrigeration designed to meet the demands of today's food precious ingredients, production, display, storage and shelf-life maximisation processes.

Cooling

The Home of the Everlasting 20 Tray Blast Chiller / Freezer Range

Meeting all the essential food safety and hygiene standards Everlasting produce 3 sizes of 20 Tray Blast Chiller / Freezers:

- **KING TROLLEY COMPACT ROLL IN ROOM** designed to hold any convection oven trolley on the market. Using a 3-phase electrical connection, it's plug and play. No need for a remote condenser, just installation access as the room is supplied complete.
- For those with restricted access, consider the **PROFESSIONAL TRAY 20**, a top mounted, free-standing cabinet, designed to hold 20 GN1/1 pans or 600mm x 400mm trays
- **KING TROLLEY ROLL IN ROOM** with remote condenser, capacity 120kg chilling and 90kg freezing

The full range of Everlasting Blast Chiller / Freezers can be found at www.angelrefrigeration.co.uk/category/blast-chillers-and-freezers/

Ask Angel Refrigeration for Product Advice

We see ourselves as an extension of our customer's team. We know that the products we supply are essential to the success of the businesses we support. Our team is dedicated to giving professional product focused advice and service. We also offer a comprehensive installation, removal and disposal service, unfortunately some postcode restrictions apply.
