to your culinary art with  
**Charvet Premium Finish**

# Pro 700, Pro 800 and Pro 900 Series Coloured Panels

Whether you are looking for a colourful show piece with that wow factor, colours that match your branding, or a colour scheme for your restaurant, Charvet now produces modular cooking suites with coloured panels from its own French enamelling facility!

The growing trend for open kitchens is leading to an increased demand for 'statement' ranges. At Charvet we are in the unique position to be able to supply customers exactly what they want.

Coloured enamel panels are available for doors and control panels on full and half modules, including oven units and service void end panels.

Standard colours available are:

- |  |   |
|--|---|
|  Grey White (RAL 9002)  |  Ultramarine Blue (RAL 5002) |
|  Jet Black (RAL 9005)   |  Night Blue (RAL 5022)       |
|  Light Ivory (RAL 1015) |  Traffic Orange (RAL 2009)   |
|  Traffic Red (RAL 3020) |  Moss Green (RAL 6005)       |
|  Wine Red (RAL 3005)    |   |

Special colours available upon request. Additional costs may be applicable and must be requested during quote process.
