INTERNATIONAL INSTITUTE OF
RISK AND SAFETY MANAGEMENT

"10 years of Commitment to the Health and Safety Industry"

Western Business Exhibitions are proud to present our 3rd and rapidly expanding event at the NEC, Birmingham making this our 25th event in the UK.

Helping people to create safer and healthier workplaces has been our aim since we first launched the regional events series in 2007.

With increasingly information hungry, time pressed visitors attending we use the most accessible, well connected venue in the heart of the UK to bring you 000's of quality visitors with serious health and safety requirements

The visitor demographic is varied with a real focus on core markets including Construction, Manufacturing, Engineering, Government, Rail and Retail.*

A constant eye is also kept on emerging industries enabling us to be fluid with the targeting of new attendees.

Strategically co-located with 2 other industry-leading events, The Health & Safety Event attracts influential buyers and ensures real value for the visitor with access to over 450 exhibitors offering product and service solutions to meet their safety, health, maintenance and facilities management needs.

"We absolutely need a continuing major SHE exhibition in Birmingham. Access and facilities are much better than London. Keep up the good work!"

"This was an excellent opportunity to leave the office and allow myself the time to refresh my knowledge and learn about new ideas. A great way of meeting new people. Thank you for a very worthwhile day."

"An excellent opportunity to identify and use up to date safety products and to listen to people at the top of their field imparting sound advice."

"A few days well spent, able to see and benchmark everything from software systems to PPE suppliers all in one place."

"This is a must attend event if you want education and CPD points, the exhibitors are a worthwhile addition, and provide a varied range of products and services."

"I came, I saw, I'll be back."

"Thank you again to Birmingham for hosting this worthwhile and informative event. I thought that the legal presentations, in particular, were excellent."
