

KIT OUT THE KITCHEN

THE Professional Kitchen Show

The A to Z of Catering Manufacturing & Servicing

The Professional Kitchen Show is the UK's foremost event for heavy and light weight kitchen equipment manufacturers and service providers, meeting the needs of distributors and foodservice professionals from across the hospitality sector.

The Professional Kitchen Show is in its first year as a standalone event, but it comes with the 83 year heritage of Hotelympia, the UK's foremost exhibition for the hospitality and foodservice sectors.

THE FUTURE OF HOSPITALITY

SINCE 1935

Now in its 83rd year, Hotelympia, the UK's leading hospitality event, continues to help shape the future of the industry. Hospitality continues to be a key sector for growth. It's the 6th largest contributor to export earnings and the 4th largest employer, with a 4.49M workforce and over 180,000 employers. If you're looking to reach the hospitality market, Hotelympia is its home.
