

# STAY SAFE WORKING ON ELECTRICS

## TAKE A CCEECC WITH COMBICO UK

The Commercial Catering Equipment Electrical Competency Course is now available from Combico UK

Designed and developed by Combico UK at First Choice Group, in association with CESA and CEDA, this new City & Guilds accredited course is an opportunity for engineers to acquire the basic electrical competence and knowledge needed to work safely on commercial catering equipment and components.

The two-day course covers safe isolation, testing and measuring, circuit protection, fundamentals of electricity, circuit layouts and how to perform tasks safely and competently using a range of test equipment. On completing the course and assessments, candidates will achieve a City & Guilds accredited certificate.

The current scheduled course dates (below) will take place on site at First Choice Group, Blakeney Way, Kingswood Lakeside, Cannock WS11 8LD. The cost of the course is £420+ VAT for CEDA and CESA members and £600+ VAT for non-members.

## COURSE DATES

June 8-9  
June 22-23  
July 31 to Aug 1  
September 11-12  
October 5-6  
November 16-17  
December 7-8

If you would like to book your place on the course or require more information on CCEECC training, please contact the Combico UK Training Centre on **01543 460385** or email Simon Groucutt, Training Co-ordinator at: **[simon.groucutt@firstchoice-cs.co.uk](mailto:simon.groucutt@firstchoice-cs.co.uk)**
